

FRAGRANCE CoTM

CATALOGUE

A close-up, artistic photograph of two faces, a man and a woman, looking directly at the camera. The man's face is on the left, partially obscured by shadow, with his eyes looking slightly upwards. The woman's face is on the right, with her eyes looking directly at the viewer. The lighting is soft and intimate, creating a sense of closeness and connection. The overall tone is warm and sensual, fitting for a fragrance catalogue.
